I attest that all the athletes that will be participating from our school in the MSTCA spring meets are student athletes, in good standing, in our high school and are bona fide members of our team. Our school district recognizes that there are certain risks associated with participating in this sport and waives releases and holds harmless the MSTCA organization, its officers, sponsors and representatives, as well as the host community, from any injury that may be incurred by an athlete in the normal course of participation in these MSTCA events. *My school also agrees to have a PO or payment in the hands of MSTCA before any meet they compete in.*

This form will be given to the Athletic Trainer in case of an injury to one of your student-athletes and they will contact the coach.

In case of a medical situation that requires 911 to be accessed, the Meet may be put on hold until the situation subsides by local public safety.

In case of inclement weather-all teams will evacuate under the direction of the Meet Director and or Police to the closest facility or bus.

Prior to the start of the Meet, each coaching staff must be represented at the coaches meeting - the Meet Director will review the site's emergency evacuation procedures.
