## **ALERT: IMPORTANT ENTRY INFORMATION**

It is the athletic director and/or coaches' responsibility to correctly submit all tournament entries. Tournament directors will make courtesy calls identifying errors whenever possible. However, this in NO WAY places the responsibility for the entry correctness with the tournament director. If there is an undetected error, the Athletic Director/Coach will accept the responsibility, even if the error means athlete(s) is/are ineligible to compete in the championship meet.

Electronic entry via the Direct Athletics website certifies that you **have read and agree** to the following: We have read, understand, and will abide by the MIAA Handbook as well as the rules for Indoor Track. Further, we have received and read the entire Indoor Track Format and agree to abide by all the requirements contained therein. We alone are responsible for Schedule/Rule violations and we realize that rule violations will result in Tournament Disqualification.

Your entry must be posted on the Direct Athletics website by Monday, February 9, 2015 at 12:00 noon. Failure to post this entry on time will result in a late fee of \$300 per athlete per event (see page 2 of format for Late Entry Information). **All changes if made, must be done with the Tournament Director and must be completed by 1PM on Tuesday, February 10<sup>th</sup>.**

**Entry Process: Entries done on Direct Athletics** Website: [www.directathletics.com](http://www.directathletics.com)

- 1 – Each school must have a username/password for Cross Country and Indoor/Outdoor Track & Field. Schools have the option for setting up for 2 accounts or separate XC and Indoor/Outdoor Track & Field. Schools have the option of setting up one account for all three seasons, or two separate accounts for each season. Athletic Directors with input from their coaches should make this decision. If you already have a Direct Athletics account for your team/school, you do not need to create a new one. **When entering a performance with a hand time - need to put an "h" after time. Example: 55m hand time of 8.1, enter 8.1h; 1000m hand time of 2:42.9, enter 2:42.9h**
- 2 – Contact information: The coach must be listed as the contact. Each tournament director will have access to this information. Please do not list the school Athletic Assistant or Secretary, as this will delay the process when an issue arises or last minute information is needed. Information should include current e-mail and phone number(s), the number should be accessible, since most meets occur on weekends.
- 3 – **Rosters need to be updated as the season goes along, this will make the entry process go smoother at the deadline time.**
- 4 – Once your entries are completed you must print out a copy of your entries and check for accuracy. You will make updates and be able to edit changes up to the deadline. After the deadline there is still the MIAA late entry fee process that is listed in this MIAA Indoor Track Format (\$300/athlete/event). Entry deadline is Monday, February 9, 2015 by noon.
- 5 – Indoor Track – every individual will be entered with seed performance; and each relay team will be allowed to enter up to 8 names, listing the first 4 in order and then list the 4 alternates.
- 6 – When entering athletes keep these rules in mind:

### **PARTICIPATION RULE**

An athlete may participate in a maximum of three (3) events.

### **ENTRY LIMITATIONS – Individual Events**

An athlete may be entered in no more than 3 individual events.

### **ENTRY LIMITATIONS – Relays**

Any athlete may be entered in a relay. However, an athlete's **PARTICIPATION** in a relay event is subject to the Participation Rule above.

Example: **Joe Jones entered in:**

**1 Mile, 2 Mile, 1000 meter, 4x200, 4x400 and 4x800 – If Joe is to run any relay, the coach would have to scratch Joe from either the 1 mile, 2 mile, or 1000m prior to the first running event. If Joe scratches from one of his individual events, he can run one relay; from two individual events, he can run 2 relays. Scratched from all individual events, he can run in 3 relays.**

---

## RELAYS

All names must be turned in for eligibility – four names & 4 alternates (coach must verify actual names by beginning of meet).

## ADDING ATHLETES:

### ADDING OR CORRECTING EVENTS; CHANGING PERFORMANCES:

Late Entries: Any corrections (on time/distance) or omissions (additional entries) must be accompanied with PO# (or check to MIAA) for \$300 per athlete per event and made with the Tournament Director. All corrections must be completed by 1pm on Tuesday, Feb. 10<sup>th</sup>. **No changes will be allowed on the switching of events for any athlete. If there is a change to a performance the new performance must have been attained by the cut-off date.**

### **\*\* IMPORTANT INFORMATION \*\***

### **CERTIFICATION PROCEDURES & CONFIRMATION OF ENTRIES**

Coach will then be given the packet.

- Failure to produce verification when asked will result in competitors not being allowed to compete in the meet.
- Performances, that do not meet minimum qualifying standards, will be challenged by the meet director.
- Other qualifying performances can be challenged throughout the meet.
- Any competitor found not to have met qualifying standards shall be disqualified from the event in question and the rest of the meet.

## **The Thirteenth Annual Joan Doherty Sportsmanship Award For Girls' Indoor Track**

The Annual Joan Doherty Team Sportsmanship Award is co-sponsored by the Massachusetts Interscholastic Athletic Association and the Massachusetts State Track Coaches Association.

This award is to be presented to girls' indoor track teams that exemplify the qualities of sportsmanship during this season and are active in community service.

This award is named after Joan Doherty who is a true pioneer in the area of girls track in the state of Massachusetts. She was one of the first women to coach track in a high school in Mass. She also coached one of the first girl's track teams in the state. Her teams were known for their great records but they also were known for their sportsmanship. Joan insisted that sportsmanship was a big part of the sport of track and field. She also showed her team by example how important it was to give back to your community when she stayed hours after practice to prep the track for an upcoming meet or wash team uniforms. She was active then and remains very active in the area of track and field with volunteering at developmental track meets in her area. She is a great role model for our female track athletes and remains a living example for all of us to follow.

Following is the nomination form. Please fill it out and mail it to the address provided for a team to be considered. Please help by promoting this prestigious award and pass the nomination form to any MIAA High School girl's indoor track coaches.

Applications must be received by February 2, 2015.
