-----  
I attest that all the athletes that will be participating in any MSTCA meets from our school, found on the attached roster, are student-athletes in good standing in our high school and are bona fide members of our team. Our school district recognizes that there are certain risks associated with participation in this sport and waives, releases, and holds harmless the MSTCA organization, its officers, sponsors, and representatives, as well as the host facility or community, from any injury that may be incurred by an athlete in the normal course of participation in these MSTCA events. **My school representative/coach is responsible for reading, understanding and following the instructions related to each entry form for each meet. I understand and agree that my school must pay entry fees for each meet we enter, even if the team does not participate in that meet. My school will provide a Purchase Order (PO) or check before meet day, as directed in each the entry instructions for each meet, or use the “single payment” process available for the indoor season. “Single Payment” form is available on this web site: [mstca.org](http://mstca.org).**
