

MSTCA 2018-2019 WINTER Single Payment Form

Please use this form if you elect to make one payment for the entire winter season. **Estimate** the number of athletes and relays you want to enter in each meet and pay for those with one check. If at the end of the season it's determined that you have overpaid, the balance will be carried toward the next season. **If you underpaid, you will be billed for the balance you owe.** If you submit a **One-Time Purchase Order for the WHOLE season**, MSTCA will use that PO number to bill you for each meet you enter.
